

Name: Jacob
Year: Freshman, Class of 2021

How Many Official Visits Did You Take?

- 3

What were the most important features of the college you chose, such as division, conference, coaches, teammates, majors, minors, etc.?

- Academic reputation, teammates, coaches.

What were some important things you learned from your visits?

- It was really helpful to get a feel for the campus and team beyond the imagery provided in school-sponsored leaflets. Every school has a unique set of people and so actually getting your feet on the ground is helpful to understand your fit.

How Important Was Academic Major In Your Choice Of School?

- Computer Science and Engineering: very important

Did the Size of the School Factor Into Your Decision?

- Size was less important than academic reputation and research for me.

When Did You Begin Researching College Swim Programs?

- Sophomore year

What Advice Would You Give To Rising Seniors With Regard To Recruiting?

- The coaches want you as much as you want them. If you're in a good position to swim on a team, then the coach is going to want to recruit you as much as you are going to want admission to the school.
