How Many Official Visits Did You Take?

- no response

What were the most important features of the college you chose, such as division, conference, coaches, teammates, majors, minors, etc.?

- School was the first aspect I looked at. While the swim program was important for me to look at, school was always first. If I didn't like the school, but liked the team, it would have been fun to swim, but I would not have liked the education part.

What were some important things you learned from your visits?

How Important Was Academic Major In Your Choice Of School?

- no response

Did the Size of the School Factor Into Your Decision?

- Yes. I did not want a huge state school, but I also did not want a small, couple thousand kid school. My college is around the perfect size I was looking for

When Did You Begin Researching College Swim Programs?

- Junior year

What Advice Would You Give To Rising Seniors With Regard To Recruiting?

- Go on as many as you can. They are not only important to help you see what college is like, but they are also extremely fun.
